Randy's Remarks...

Recently my wife, Sherry and I moved to LaGrange in Oldham County. We totally enjoy the area and are quite satisfied with the wonderful house the Lord has allowed us to live in. But the moving process is such a *pain* literally and physically. I discovered muscles I didn't know I had and some I thought had left me years ago.

Moving was also a trip down memory lane as we packed and unpacked items from years gone by. Good memories; sad memories; funny memories and worst of all, no memory. Where did this come from? "Is this yours, Sherry?" "No, it's not mine. Don't you know where it came from?" My response, "No idea!"

This experience was a great time to purge ourselves of much unused and useless "stuff." Charitable organizations were the recipients of many of these things and the trash bags gobbled up the rest. (We still have too much "stuff.")

God is so good! And I recognize as best I can that He is the provider of every good and perfect gift in life including life itself. He has given Sherry and me so much, but it is not ours. We are simply assigned to take care of these things for a short time. He has entrusted these things to our care. We desire to be the very best stewards of every good and perfect gift He has given to us: our salvation in Christ Jesus; our marriage; our relationships with family, church families and our neighbors; our material possessions; our health. Well you get the picture. It all belongs to Him. We desire to be good stewards until He "moves" us to our home prepared for us in Heaven!
