Training Opportunity...

"Comparing Beliefs of Christianity and Latter Day Saints" will be led by Bill Ellis, pastor of Discipleship for the Crestwood Baptist Church. This training will be hosted by the folks at Providence Baptist Church Sunday evening, November 7. This will begin at 6:30 pm and conclude at 8:30 pm.

Ellis will compare the primary beliefs of historic Christianity with the beliefs of the Latter Day Saints and let you decide how biblical their teachings are. Plan now to take a group of people from your church to this event!

Regional Training sessions were held at two locations: Buckner Baptist, October 25 and Bedford Baptist October 26

Contact Lynn Traylor or Randy Jones if you were not able to attend either training session

Randy's Remarks...

Permit me to make an attempt to express my heart felt gratitude for each of you who prayed for me before, during and after my recent surgery. I may never know the names of every person who interceded with the Father on my behalf. Nevertheless, I am humbled to know that God's people care enough to pray. Prayer is so vitally important in our daily walk with the Lord!

A special word of thanks to those of you who called, sent emails and cards and made special trips to check on me. Your expressions of concern were and continue to be invaluable to me.

I am grateful for my family members; especially my wife, Sherry, who has been here for me each step of the process and has been the ideal care giver, wife and friend.

This is a great segue to encourage all of us to give thanks during this Thanksgiving season. Certainly we are to be thankful for the material blessings we enjoy, but let's take time to give thanks for being a part of the wonderful family of God through our faith relationship in His Son and our Savior, Jesus Christ!

Happy Thanksgiving!

Randy Jones, DOM
